- Ethernet port (Wake on LAN from sleep mode)	10/100/1000 Mbps.	(RJ45)
---	-------------------	--------

USB

- 2x USB 3.0 in left side	480 Mbit/s	(USB Type A)
- 4x USB 2.0 on the back	480 Mbit/s.	(USB Type A)

Wireless control inputs:

- Typical Input via Lantic IR receiver (With Ir sensor cable)		Lantic no. 2272	(Sensor w/ 250mm cable)
--	---	-----------------	-------------------------

from Lantic RC10
& IR keyboard

Lantic no. 1647
Lantic no. 2344

- **OPTIONAL** via Lantic RF receiver.

868,4 Mhz. (EU) (Antenna w/ 1,5m cable)

from Lantic remote control (RC1-Z)
& Keyboard (KB2-Z)

Lantic no. 2307
Lantic no. 2309

Data storage:

Hybrid SHDD Drive (ensures full operation after sleep in less than 3 seconds).

Power consumption:

Supply range:	100-127/200-240VAC , 50-60Hz.
Sleep:	~12W.
Typical use:	~60W.
Max power @ full audio output	~80W.

Temperature:

Maximum ambient temperature:	<30°C/86°F
Typical Heat generation:	~ 60 W.

IMPORTANT: Don't block any ventilation grills (see illustration above).

Weight:

Net Weight:	~ 7 kg.
Shipping weight including accessories & packing material:	~ 8 kg.

Mechanical dimensions:

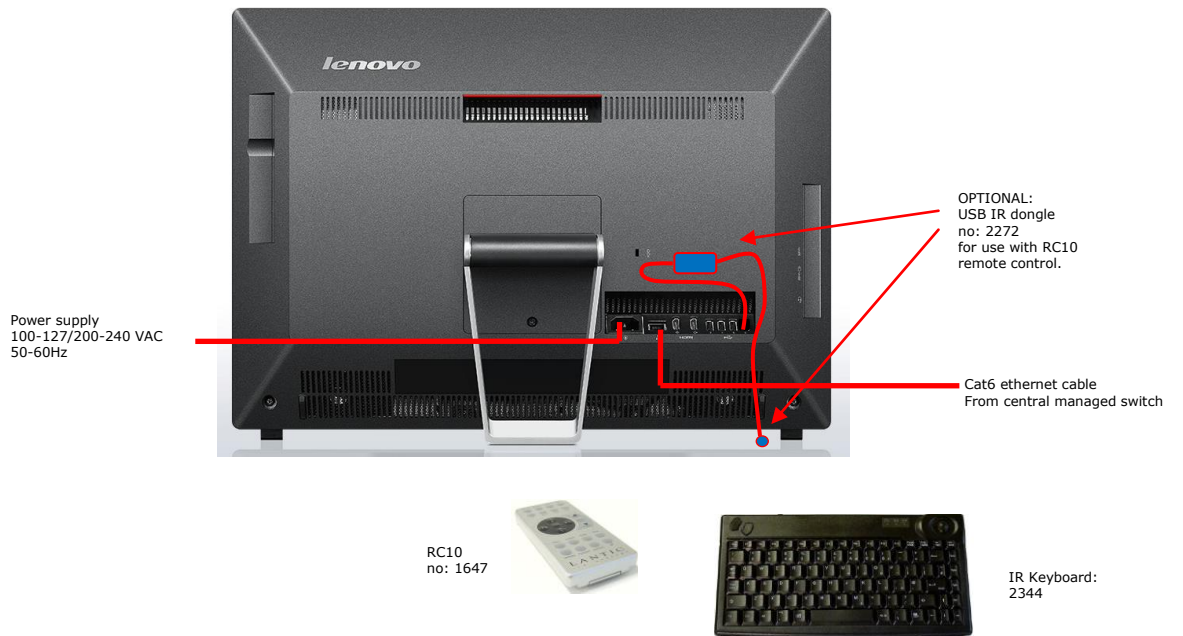

Dimensions w/o stand & cables (WxHxD)	535 x 385 x 50 mm.
Required space – on wall slim bracket w/ cables (WxHxD)	535 x 385 x 75mm.
Required space - Standing (WxHxD)	535 x 385 x 160 mm.
